2,500 3,000 1,000

One-half of said beef and pork must be delivered at each of the above-named yards, respectively, by the lat day of April, 1858; and the remaining half by the lat day of April, 1858; and the remaining half by the lat day of June, 1858, unless earlier delivers are should be required by the chief of this bureau. Payment to be made within thirty days after delivers. Bidders must specify their prices separately and distinctly in separate offers for the beef and for the pork, and for each of the places of delivery, covering all expenses and all charges.

The beef must be from well-fattened cattle, alonghered between the lat day of November, 1857, and the last day of January, 1858, and weighing not less than six hundred pounds, net weight, each. The lags and log rands of the hind quarter, and the shins and shoulder-clots, the shouldered of the torse of mutton and ends of sticking pieces, and at least eight pounds from the usek can of each fore-quarter, or the parts marked Nos. 1, 2, 3, 4, and 5, on the drawing or delineation of the fore and hind quarters of an ox, which will be altached to and form a part of the contract, must be wholly excluded from each barrel, and the remainder of the corross, instead of being out wilk a cleaver, must be active pounds, each.

irst aitpeter to each barrel, exclusive of a pickle, to be made from fresh water as strong as sail will make it, and must be perfectly bright and clear.

Each barrel must contain full 200 pounds net weight of beef or pork, and no caces of weight in either article will be paid for.

The barrels must be entirely new, and be made of the best seasoned heart of white-ook staves and heodings: the staves to be not less than five-eighths of an inch thick, and the heastings not less than five-eighths of an inch thick, and the heastings not less than five-eighths of an inch thick, they must be three-fourths hooped over, including the iron hoops, with the best white-oak or hickory hoops, and each barrel must have on it four iron hoops, viz. one of one and a half inch in width on each big, and one of one and an eighth inch in width on each big, and each bor of one six is one of one and a half inch in width on each big, and each to be of one-six-enth of an inch thick. Each berrel must be, of the internal capacity of thirty-two gallons, and the iron hoops must be well painted with red lead.

Rach berrel must be branded by burning on its head "Navy Becf," or "Navy Pork," as the case may be, with the contractor's name and the year when packed, and weight; and shall also be branded on the bug stave with the letter B, or P, as the case may be.

The beef and pork will, unless otherwise directed by the chief of this bureau, be inspected by the inspecting officers at the respective navy-yards aforesaid, and by some "aworn inspector of salida provisions," who will be selected by the respective commanding officers; but their charges for such inspections must be paid by the respective navy-yards aforesaid, and by some the salidation will be withheld from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracter, which will on no account be paid until the contracts are compiled with in all respects; and is to be forfeited to will forfeit and pay to the United States,

the drm, where a company offers, with the Christian names written in full, must be distinctly stated.

Under the joint resolution of Congress, approved 27th March, 1884, "all bide for supplies of provisions, clothing, and small stores for the use of the navy, may be rejected at the option of the department, if made by one not known as a manufacturer of, or regular dealer in, the article proposed to be furnished, which fact, or the reverse, must be distinctly stated in the bide offered."

June 3—law4w

masters.

An agent of the department will furnish the address for each parcel, which is to be pasted on the box by the manufacturer without charge. The dies for simbossing the postage stamps on the envelopes are to be executed in the best style, and they are to be provided, renewed, and kept in order at the expense of the contractor.

Bidders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the manufacture of the envelopes they propose to furnish.

Bidders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the manufacture of the onvelopes they propose to furnish.

Bond and security will be required for the faithful performance of the contract, and payments under it will be made quarterly. Price, quality of samples, and the sufficiency of the bidder will be considered together in awarding the contract; and the Postmaster General reserves to himself the right to annul is whenever he shall discover that the same, or any part of it, is offered for sale in the market for the purpose of speculation; and be will in no case sanction a transfer of the contract to any party who shall be, in his opinion, less able and qualified that reso exiginal bidder or contractor. The right is also reserved to annul the contract for a failure to perform faithfully any of its attipalations.

The number of envelopes issued to postmasters in the quarter ending March 31, 1857, is stated below:

Bureau of Construction, Equipment, and Repairs.

Bureau of Construction, Equipment, and Repairs.

May 23, 1857.

S. EALED PROPOSALS to furnish naval supplies for the flocal year ending 30th June, 1858, will be received at this Bureau until 3 o'clock, p. m., of the 23d June next. These proposals must be endorsed "Proposals for Nexel Supplies, Bureau of Construgition, &c.," that they may be distinguished from other business letters. The materials and articles embraced in the classes named are particularly described in printed schedules, any of which will be furnished to such as desire to office, on application to the commandants of the respective yards, or to the navy-agent nearest thereto, and those of all the yards upon application to this bureau. This division his classes being for the convenience of dealers in each, such portions will be furnished as are acfinally sequired for bids. The commandant and anayagent of each station will have a copy of the schedules of the other yards, for examination only, from which it may be judged whether it will be destrable to make application for them.

Offers must be made for the whole of a class at any yard upon one of the printed schedules, or in strict conformity therewith, or they will not be considered.

All articles must be of the very best quality, conformable to sample, size, &c., to be delivered in good order, and in suitable vessels and packages, as the case may be, at the expense and risk of the contractor, and in all respects subject to the impaction, measurement, count, weight, &c., of the yard where received, and to the entire autifaction of the commandant thereof.

Bidders are referred to the yards for samples, and a particular description of the articles; and, all other things being equal, preference will be given to articles of American manufacture.

Every offer, as required by the law of 10th August, 1846, must be accompanied by a written guarantee, the form of which is hereeyth given or articles of American manufacture.

Proposals for Naval Supplies.

given.

Those only whose offers may be accepted will be notified, and the contract will be forwarded as soon thereafter as practicable, which they will be required to execute within ten days after its receipt at the post office or navy agency named by them.

Streties in the full amount will be required to sign the contract, and their responsibility certified to by a United States district judge. United States filtering the streting of the states and the contract, and their responsibility certified to by a United States district judge. United States gistrict autorney, collector, or may-signal, as additional occurity, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed; and elighty per centum of each bill, approved in triplicate by the commandant of the respective yards, will be paid by the navy-agent within thirty days after its precentation to him.

It is stipulated in the contract that, if default be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in this contract, of the quality and at the time and places above provided, then, and in that case, the contractor and his oursites will forfeit and pay to the United States a sum of money not exceeding twice the amount of such class, which may be recovered from time to time, according to the act of Congress in that case provided, approved March 3, 1843.

Classes Nos. 1, 2, 4, 6, 7 to be delivered one fourth part on or before the 18th May, one-fourth part by the 20th May, to according classes to be delivered one-fourth part on or before the 1st Percenter, 1855. Classes 3 and 8, the whole by the 15th May, 1858. The remaining classes to be delivered one-fourth part on or before the 1st April, and the remainder on or before the 35th part on

The undersigned, of in the State of hereby guaranty that in case the foregoing bid of for any of the classes therein named be accepted, that he or they will, within ten days after the receipt of the contract at the post office named, or many agent designated, execute the contract of the same, with good and sufficient survices; and in case said—shall fall to enter into contract as aforesaid, we guaranty to make good the difference between the offer of the said and that which may be accepted.
